

RUNDOWN DELAYED

Dear Super Nerd Subscriber,

The Rundown to this episode has been delayed because of a problem with my computer. The screen to my MacBook Pro cracked, preventing me from accessing the hard drive.

I've taken the computer in for service & should have it back sometime this week.

I hope to have the **rundown uploaded by Friday the latest.** Please check back here or on the HF Patreon Page at [Patreon.com/HiddenForces.](https://Patreon.com/HiddenForces)

If you have any questions, please email me at dk@hiddenforces.io.

As always, thanks for supporting the show with your premium subscription!
